

Cagliari offers a variety of accommodation spanning from 5 stars hotels to bed and breakfast. We suggest booking in advance for lower prices and better accommodation.

A shuttle service will be offered to IAGC 3 attendees. Two or three picking up points will be selected in the Marina Harbor and downtown area. The shuttle will depart in the morning from downtown to the conference venue and will return after the last conference session. **The shuttle service has to be booked during registration by selecting the option**
